AFO-L-L	Large	340	280	Left
AFO-XL-L	X Large	390	390	Left
AFO-S-R	Small	260	240	Right
AFO-M-R	Medium	290	280	Right
AFO-L-R	Large	340	280	Right
AFO-XL-R	X Large	390	390	Right

## Carbon AFO

Ankle foot orthosis prefabricated in carbon reinforced polypropylene

- Lightweight design offering increased stability
- Improved dorsiflexion assist
- Removable washable calf lining
- Easily trimmed to shoe size on site

Part Number	Size	Height mm	Footplate Length (mm)	Side
CAFO-S-L	Small	260	240	Left
CAFO-M-L	Medium	290	280	Left
CAFO-L-L	Large	340	280	Left
CAFO-XL-L	X Large	390	390	Left
CAFO-S-R	Small	260	240	Right
CAFO-M-R	Medium	290	280	Right
CAFO-L-R	Large	340	280	Right
CAFO-XL-R	X Large	390	390	Right

## Full Foot AFO

- Single strut design
- Trimmable foot piece
- Touch and close fastening
- Extensive size range

Part Number	Size	Height mm	Footplate length (mm)
FAFO-S-L	Small	260	242
FAFO-M-L	Medium	290	261
FAFO-L-L	Large	340	273
FAFO-XL-L	X Large	390	273
FAFO-S- R	Small	260	242
FAFO-M- R	Medium	290	261
FAFO-L- R	Large	340	273
FAFO-XL- R	X Large	390	273

## Universal Night Splint

Universal resting splint

- Fully adjustable dorsiflexion strapping for controlled stretch
- Soft padded lining
- Quick release straps
- Universal application

Part Number	Size	Shoe Size
UNS - S	Small	<5
UNS - M	Medium	5 - 7
UNS - L	Large	8 - 11

## Gel Ankle Brace

Stabilising Air-gel ankle brace

- Offers good medial / lateral support
- Touch and close fastening
- Universal size

Part Number
GAB

## Pneumatic Ankle Brace

Stabilising inflatable air brace

- Offers extra medial / lateral support
- Inflatable chamber offers close contoured fit
- Universal size

Part Number
PAB

## Pressure Relieving Orthosis

- Equinus contracture management during sleep
- Suitable for pressure relief of heels in diabetic wound management
- Washable/replaceable fleece linings
- Adjustable length footplate
- Open/close removable Anti rotation bar

Part Number	Size
PRO - S	Small
PRO - M	Medium
PRO - L	Large

## Gel Heel Cups

Single density silicone gel heel cup - suitable for plantar fasciitis

Part Number	Size
GHC-S	Small to fit shoe size 35 – 40
GHC-L	Large to fit shoe size 41 – 46

- Dual density silicone gel heel cup
- Anatomically placed soft blue spot cushion to relieve symptoms associated with calcaneal spurs

Part Number	Size
GDDH-S	Small to fit shoe size 35 – 40
GDDH-L	Large to fit shoe size 41 – 46
